📍 Pune

## SUMMARY

I am eager to apply for an internship at BMC Pune to expand my knowledge and gain hands-on experience in a dynamic environment. I am enthusiastic about learning new technologies, adapting to challenges, and contributing to innovative projects. I am ready to bring a strong work ethic and a collaborative mindset to your team.

## EXPERIENCE

### Web Development Intern

#### Advanced FMS & Security Services

📅 03/2024 - 06/2024 📍 Mumbai

- During my internship, I contributed to website development, collaborating with a team to design and implement features. This experience taught me effective teamwork and the importance of meeting deadlines, honing my technical skills and professional growth in a fast-paced environment.
